CORE COMPETENCIES

- **Operations & Logistics Consulting** — DoD-aligned supply chain, distribution, warehousing, inventory, and contract logistics support for remote and austere programs (NAICS 541614, Primary).
- **Operational Forensics & Shareholder Protection** — Board-directed operational forensic review. Diagnostic domain reviews, embedded engagements, and standing shareholder-protection retainers, engaged only by the board of directors or a designated sub-committee, with counsel of record oversight and preserved chain of custody. New in 2026.
- **Federal Capture & Acquisition Support** — small-business teaming, joint-venture formation, mentor-protégé strategy, capability-statement development. COR/QAE-certified personnel; PWS/SOW development, market research, source selection support, acquisition planning.
- **Quality Management & ISO Consulting** — ISO 9001, AS9100, ISO/IEC 17025 program implementation, internal audit, management review preparation.
- **Calibration & Metrology Consulting** — ISO/IEC 17025 program development, PMEL/TMDE standup, calibration interval analysis, measurement uncertainty consulting.
- **Applied AI & Governed Agents** — Governed agent loops (not chat wrappers) for operations, federal contracting, QMS, and metrology workflows. Strict output schemas, prompt provenance, iteration caps, audit-grade logs. Train-the-trainer included.
- **Operations Modernization** — process redesign, organizational structure, pricing-model rebuilds, KPI/scorecard development.

DIFFERENTIATORS

- **Service-disabled veteran-owned** — 100% owned by a service-disabled veteran. SBA VetCert application in progress; SDVOSB set-aside and sole-source eligibility (FAR 19.1405 / 19.1406) begins on VetCert completion.
- **30-year operator track record** — owner is a 20-year US Army veteran (TMDE Senior Team Chief, 82nd Airborne Division → 10th Special Forces Group Logistics Officer). Awarded permanent wear of the Special Forces Regimental Distinctive Insignia and the K9 Additional Skill Identifier (Special Operations Logistician). Two-time Bronze Star Medal recipient. Demonstrated Master Logistician (DML) — Intl. Society of Logistics. 10 additional years in executive corporate leadership.
- **Native corporation fluency** — Principal serves as President & CEO of an Alaska Native village corporation and was adopted by the Yup'ik people of Emmonak (from whom the firm takes its name). Fluent in ANCSA (43 U.S.C. § 1601 *et seq.*), ANC governance, and 8(a)/ANC and Buy Indian Act set-aside vehicles.
- **Board-directed forensics capability** — Independent operational forensic review under counsel of record for boards facing suspected internal capture. Not a forensic accountant; not a private investigator; a domain-level operator with executive-tier authority.
- **Acquisition-fluent** — COR/QAE/acquisition-credentialed leadership for PWS, source selection, and contract administration.
